

Application No.: 09/817,682

Atty Docket No.: JCLA5662-CIP

Amendment

In the Specification:

Page 4, the last two paragraph

The substrate 100 also comprises a trench 110, wherein the spacing between the trench 110 and the alignment mark 106 is denoted as "D". The spacing "D" is at least five times the flat spacing 106b "d" between the recesses 106a. Substrate 100 comprises a plurality of layers.
